

CROP (**C**ommunities **R**eaching **O**ut to **P**eople) Walk is an annual event that Chapel Hill has participated in for years. This year the walk will be on Saturday, August 28th and begin at 8:00 AM (registration) at Oran Good Park.

Walkers are encouraged to solicit donations and sponsors for their walk. The local beneficiary for this CROP Walk is Metrocrest Social Services. They feed and assist countless people in our area.

If you can't walk, please make a pledge to someone who is walking and participate in the communion offering for CROP Walk.

Chapel Hill has participated in the CROP Walk for many years and for some it has become a Chapel Hill tradition. Sign up now and get your pledges...it's about raising money, too.

Plan to gather your Sunday School class, Bible study or other group to walk together. It's a fun way to get out for a little fresh air and sunshine for a good cause.

You can sign up at the church in advance or show up on the day.
